Score Reductions applicable from 15 January 2011

Note that as the cards are now being submitted for handicap purposes, rather than apply a change that will affect the cards, it is proposed that the adjustment will be made by the organizers of twilight golf when the results are being calculated. This will be 0.5 points for each point over 20 applicable for one week for every stroke over twenty. (e.g. a score of 23 will result in a deduction of 1.5 stableford points for each of the following 3 weeks)
